September 16, 1944

Administrative Work in Office of Production

Effective immediately J. B. Hasselman, Special Assistant to the Director, will assume the responsibility for general supervision of administrative work formerly exercised by F. J. Hopkins, Administrative Officer, who is transferring to the Soil Conservation Service. Mr. Hasselman will continue to carry out his other assignments as Special Assistant to the Director.

Administrative employees formerly reporting to Mr. Hopkins will hereafter report to Mr. Hasselman.
